To learn about your discount, submit an eligible opportunity at www.fluke.com/registrationprogram.

If approved, Fluke will email you an approval email with your approved discount on eligible items. Orders cannot be split. Public RFQ's are not eligible. Opportunities already in the sales funnel are not eligible. Some Fluke items may receive different discount margins and will be referenced in the approved quote. Some exclusions apply.

Opportunity registration may include both Fluke and Fluke Networks products, limited to authorized Fluke Networks distributors. Non-Fluke Networks distributors will still qualify for additional registration discount through Ingram Micro.

For complete eligibility guidelines, visit <https://www.fluke.com/registrationprogram> or e-mail questions to registrationig.program@fluke.com.

See your local Fluke sales engineer or sales rep for further details.
